(11) The supplementary proposition and allocattion statements have been got verified by the Auditor of the Corporation

(12) It may be seen from the statement that there is no change in the Establishment . The existing establishment is continued. Strictly according to rules no proposition statement was necessary in this case But a schedule of Establishment of the entire Corporation had to be got sanctioned by the Corporation according to Rule 7 of the Transitional Provisions Order and Section 90 of the Corporation Act As this was the first Establishment Statement prepared after the amalgamation of the two Municipalities into a corporation all the existing appointments with changes, if any, were asked to be shown in a proposition statement in L.S.G.Secretary's letter dated 6 11 1950 to enable Government to know exactly what constituted the Corporation establishment and also to serve as the basis for audit. Therefore, even though the Corporation is empowered to sanction such schedules under Section 90
